Geography	What is my weather like? Pupils will start the year exploring the difference between weather and climate and how we can collect weather data to present. This follows on from their understanding of different weather in Year 1.		Where in the world am I? Pupils will learn how to use atlases and globes to understand the continents and oceans of our world. The equators and poles and how they affect different climates. They will extend this knowledge into exploring the UK's countries, capitals and surrounding areas.		Is Southend different from Luxor? Pupils will extend their Year 1 knowledge of human and physical features and use these to compare Luxor with Southend in a range of ways. This unit also supports children to become more confident in their map creation and interpreting skills.	
History	History to Flight Pupils learn about how flight had changed over time. They will learn about the Wright Brothers, Amelia Earhart, Bessie Coleman and the moon landing.		Life of significant others Pupils will learn about famous explorers in history. They will learn about Christopher Columbus, Neil Armstrong and Mathew Henson.		The Great Fire of London Pupils learn about the Great Fire of London from pictures and eye-witness reports and create a timeline of events
