24<sup>th</sup> April 2026

Dear Parents and Carers,

We would like to warmly invite you to join us in school for a special reading session with your child in class.

Reading plays a vital role in your child's development. It supports not only their ability to understand and use language, but also builds imagination, confidence, and a lifelong love of learning. Regular reading helps children improve their vocabulary, fluency, comprehension, and overall academic success across all subjects.

During this session, you will have the opportunity to read alongside your child and see first-hand how we teach reading in school. We will share some of the strategies and approaches we use to support children's reading skills, which you may find helpful to continue at home. Seeing these methods in action can make a real difference in how confidently and effectively you support your child's learning.

We are offering two session times for your convenience, which will last 30 minutes:

- 11th May at 2:45pm
- 14th May at 2:45pm

Please click the link to book into a session [Reading Parent Workshop – Fill in form](#) spaces are limited to a maximum of 2 adults per child.

We believe that strong partnerships between home and school are key to a child's success, and we hope this session will be both enjoyable and informative for you.

We look forward to welcoming you into the classroom.

Yours Sincerely

Mrs Lodge, Mrs Moyies and Mrs May  
Year 2 teachers
