Geography	How and why has Southend changed over time? Children will use a range of sources to observe how their locality has changed over time. They will link changes to economic developments and predict what the future may hold. They will also use six-figure grid references and learn about scale.		How can we reduce plastic waste at Sacred Heart? Pupils will learn about plastic waste and consider ways to reduce the amount in school. They will then action a plan, record their findings and evaluate their results. The unit will include a beach litter picking trip.		How diverse are they Americas? Pupils will build on their previous learning on the Americas to include Central and South America. They will look at geographical features, biomes and climates across different regions. They will end with a deeper look into how the geography of one country impacts their economic activities.	
History	Victorians Our Victorians topic facilitates the study of Queen Victoria - her life and family, key features of the period as well as other aspects of the daily lives of Victoria's subjects.		World War II Pupils will learn about the Second World War in Europe. They will learn about the timeline of key events of the war and the lives of the ordinary people who faced the Blitz.		Mayans Pupils investigate a non-European society that contrasts with British history.
