We are looking to appoint enthusiastic and motivated people to join our friendly and caring school. As we look to extend our play provision for our children, you will join a team who are responsible for supervising and supporting the children during lunchtime - both inside and outside. First Aid experience would be an advantage.

What we offer:

- Wonderful children who are well behaved, kind, caring and enjoy coming to school
- A diverse community of engaged families, working together with staff
- A collaborative and supportive staff team with a tangible sense of team spirit
- An inclusive school where everyone works hard to ensure that pupils, whatever their starting point, receive stimulating learning experiences and support
- A Catholic School that welcomes all.

Applicants need to be supportive of the school's Catholic ethos (applications are invited from Catholic and non-Catholic candidates).

We are committed to safeguarding and promoting the welfare of children and expect all staff and volunteers to support this commitment.
