

Dear Parents/Carers,

4<sup>th</sup> July 2025

Please find below the list of new class names and teachers for the next academic year. In doing so, we would also like to reiterate our thanks to Mrs Edmunds (Nursery) and Mrs Horton (site team) as they leave for a well-deserved retirement after many years of service to Sacred Heart.

If you have read or discussed previous correspondence, you will know that we are mixing up our classes this year, in order to achieve a better balance across each Year group. In making our changes, we have taken into account a range of different factors, including relationships, in the knowledge that friendships and play are mainly for outdoors. Children who may not be together in class will still have lots of times for interactions with friends, both at playtimes and when classes mix for lessons and other activities.

This is not an exercise that we have plans to repeat, at least for a couple of years when we will reassess. Your children will be able to tell you their new class teacher after their transition session this morning. The class names will stay with the Year group in future and not travel with the class: so, for example, the new St Felicity class (Year 2) will move on to become St Augustine or St Monica (Year 3) the year after.

<b>Nursery</b>	
<b>St Carlo:</b> Mrs Prince & Mrs Brett	
<b>Reception</b>	
<b>St Bernadette:</b> Miss Field	<b>St Veronica:</b> Mrs Day & Mrs Crombie
<b>Year 1</b>
